- Integrated control of coastal areas.
- Problems of sustainable reproduction of regional travel products in Russia.
- Methods of ethnological expertise and forms of regional ethnological monitoring arrangement.
- Globalization and problems of cultural heritage preservation.
- National topics in modern mass-media: the problems of scientific objectivity.
- Specific character of tourist flows formation in Russia.

RULES OF SUBMISSION

You are kindly requested to send your application for participation in the Conference with the completed Registration Form, the texts of publications and a copy of the receipt for payment of the organizational fee to the Organizing Committee by e-mail address:

conf_snic@mail.ru

Terms of Submission:

Applications with the completed Registration Form and with the Title of the article/report are accepted	Before May 1, 2018
Articles and Registration fees are accepted	Before July 25, 2018

It is necessary to attach a copy of expert evidence to the article on the possibility of its publication (not in the list of the state secrets, not in the List of information equal to the state secrets approved by the Decree of the RF President No 1203, November 30, 1995, not classified as a secret).

The proceedings of the Conference will be issued in a collection by the beginning of the conference with the appropriate indexes UDC, BBK and ISBN - the International Standard Book Number. All the reports will be indexed by articles in the system of the Russian Scientific Citation Index (RINC).

Registration fee - 1000 rubles (rent a hall, coffee-breaks, costs for the collection of the proceedings, a disc with full texts of reports, postage). Easy to paid in bank offices against the given requisites.

Foreign participants are requested to contact the Organizing Committee as for the Registration fee.

PAPERS PREPARATION REQUIREMENTS

The Organizing Committee urges you to stick strictly to the following rules when preparing your papers:

Urgency	The article should raise an urgent topic and contain self-achieved research results.
Responsibility	The authors are responsible for the reports presented. The copyright sign (©, with the author's name at the end of the article are mandatory
Volume of the	Not more than 10 pages of typewritten text in A4 format.

article	
Text format	Microsoft Word (*.doc, *.docx);
Pages numbers	No page numbering.
Interline	One-half interval without hyphenation.
Fields	20 mm (top, bottom, left, right)
Font	Times New Roman, size — 12; indent — 1,25
Alignment	Full justification.
Sheet size	A4(210x297 mm), portrait orientation.
UDC	UDC index is mandatory. UDC can be found at: http://teacode.com/online/udc/
Abstract	Brief description (several sentences).
Key Words.	Key words or word combinations. (from 3 to 7)
References	The literature used is listed at the end of the text under “References” title. It is denoted in the text by square brackets as far as it is mentioned with the ordinal number of the listed and through the comma, for example: [3, p.111]. The list is arranged according to GOST R 7.0.5-2008 Reference.
Figures and Tables	The images used in the article should be in jpg, gif, bmp format. The images in MS DOS are not accepted. The figures should be inserted in the text and be clear, black & white. Numbers and description should be under the figures (center alignment) and above the tables A line is skipped before the figure and after its description .
Number of authors	No more than 3.

Text Structure:

1st line (top left corner) -UDC;

2nd line- title (in capital letters, bold, centered);

3rd line – surname, name, patronymic (in lower- case letters, centered);

4th line - academic degree, rank, position, organization name (in low-case letters, centered);

5th line – city, country (in low-case letters, centered);

6th line – author’s e-mail address (in low-case letters, centered);

7th line – abstract (no more than 7-8 lines).

Then the body of the text is put at one interval indentation. References list follows the body text with an interval indentation (name in low-case letters, centered).

The information about the report in English follows after with an interval indentation.

1st line (top left corner) -UDC;

2nd line- title (in capital letters, bold, centered);

3rd line – surname, name, patronymic (in lower- case letters, centered);

4th line - academic degree, rank, position, organization name (in low-case letters, centered);

5th line – city, country (in low-case letters, centered);

6th line – author’s e-mail address (in low-case letters, centered);

For foreign participants it is possible to submit the article in English with information about the report in Russian.

The Organizing Committee reserves the right to edit the texts. The papers won’t be accepted in case they do not answer the Conference topics, are poorly prepared or submitted later than the date indicated in the given Information Letter.
